

WHY AN APPRENTICESHIP?

- > A great stepping stone into the building industry
- > Shows what working full time on a job site is like
- > Immediate start
- > You get Certificate III qualified
- > You can earn money while training
- > You learn additional skills that will assist you in any career

THINKING ABOUT YOUR NEXT MOVE?

THINK HIA APPRENTICES

STEP 1

Complete a pre-apprenticeship or obtain on-site work experience.

STEP 2

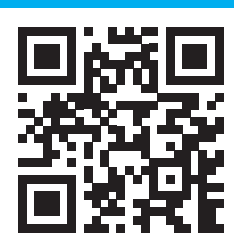

Apply to HIA Apprentices. If selected you will be placed with a quality host for onsite training. We take care of your wages and needs.

STEP 3

HIA Apprentices will work with you to develop your skills to the highest industry levels. Once qualified you will be ready to start your career!

STEP 4

Decide if you want to work for yourself or apply for a job at a company of your choice!

Potential apprentices can apply online here: hia.com.au/apprentices
